Dear Stakeholders,

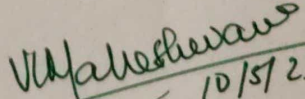

This gives me immense pleasure to introduce to you '**Visharad**' Skill Development Center of Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. The importance of skill development in today's rapidly evolving job market cannot be overstated. It is heartening to state that our university is taking the initiative to equip students with the skills they need to thrive in the professional world.

In line with the recommendations and guidelines of the National Educational Policy (NEP) 2020 and National Skill Qualification Framework (NSQF), also considering the need of the region and resources availability as one of major focus in developing the ability, competence, values and skill-oriented courses, trainings and developmental workshops through this center. The eminent academicians, experts from Trade & Business, Government bodies, boards, society, world class industry partners are contributing to the implementation of the programs of development of capabilities of students. These efforts are sure to have a positive impact on the lives of countless students and stakeholders of university.

The skill development center is a valuable resource for students seeking to enhance their abilities and gain practical experience in their chosen field. By providing students with access to cutting-edge technology, industry experts, and innovative programs, that will empower them to become leaders in their respective industries and careers. The trainings for self-employment options are made open through various MoUs and Agreements, by the university with distinguished organizations nationally and Internationally in the field of trade and business, NGOs academic leaders, etc.

It is no doubt a testament to the dedication and vision in providing students with practical and applicable skills that will not only benefit them personally, but also contribute to the growth and development of our society and community at large. I commend the coordinator and team for the commitment to the success and future endeavor of '**Visharad**' skill development center.

I appeal to the students, all stakeholders of University and community at large to take interest in this endeavor with full enthusiasm and participate in the courses and programs of the skill development center.
